Price List for Wedding Books 2010

Wedding Books

These are available to purchase in addition to any wedding package booked. Volume discounts are available as shown below. Discounts for multiple copies only apply when they are ordered at the same time.

These make beautiful presents for parents or close friends, for example I am sure your bridesmaids and the best man would love a copy as a thank you gift for all the hard work and effort which they put in on your special day.

Each book consists of 15 pages (30 sides), however because of design, it may be necessary to increase the number of pages. These extra pages will incur a small supplement.
